Sukoharjo, Jawa Tengah

Graduates with bachelor degree in Informatics from Atma Jaya Yogyakarta University. A passionate learner especially about software development. Currently looking for Frontend or Backend opportunities using Javascript technologies.

## Education Level

**Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia**

Aug 2018 - Aug 2022

*Bachelor Degree in Informatics, 3.83/4.00*

- Graduated with Cumlaude predicate

**SMA Regina Pacis - Surakarta, Indonesia**

Jul 2015 - Jun 2018

*High School Diploma in Jurusan IPA*

## Work Experiences

**PT Bumi Amarta Teknologi Mandiri - Jakarta, Indonesia**

Jun 2024 - Jun 2025

*Fullstack - Contract*

- Fullstack developer using Vue, Java Spring Boot, and Oracle Database. I worked closely with a cross-functional team to develop an application from the ground up for a multinational financing company. The application was built to determine loan eligibility by processing and validating customer data against business rules and financial criteria, ensuring accuracy and efficiency in the approval process.

**PT Inovasi Daya Solusi - Jakarta, Indonesia**

Oct 2022 - Jun 2024

*Fullstack - Full Time*

- As a Fullstack Next.js developer, I've worked with several others developing new features, maintaining and solving bugs. My work involves building financial dashboards, payment processing systems, and other finance-specific features while adhering to industry standards and regulations.

**PT Javan Cipta Solusi - Yogyakarta, Indonesia**

Dec 2021 - Mar 2022

*Frontend - Internship*

- As a front - end intern, I've worked in an agile team to develop, fix bugs, and integrate REST API on Angular 8 based website.

**Atma Jaya University - Yogyakarta, Indonesia**

Aug 2021 - Dec 2021

*Assistant Lecturer*

- As an assistant lecturer of Android Development course, I'm responsible for teaching students about Android related courses such as Android Life cycle, Activity/Fragments, Networking, Android related API, and Unit Testing using Java programming language.

**Atma Jaya University - Yogyakarta, Indonesia**

Feb 2020 - Jun 2020

*Assistant Lecturer*

- As an assistant lecturer of Object - Oriented Programming course, I'm responsible for teaching students about OOP related concepts such as OOP fundamentals and Design Pattern using Java programming language.

## Organizational Experiences

**Kelompok Studi Desain Grafis - Yogyakarta, Indonesia**

Aug 2019 - Aug 2020

*Member*

## Skills, Achievements & Other Experience
